History

- 1998 – 2000 Project Code Rush (Netscape)
- 1999 – AOL buys Netscape
- The Mozilla project

A global community with a
shared mission

Build the internet the world
needs

For people, not for profit

mozilla
FOUNDATION

Firefox 1.0 - 2004

Mozilla Foundation

non-profit organization that promotes openness, innovation and participation on the Internet. We promote the values of an open Internet to the broader world.

4 pillars of activity

- Build
- Empower communities
- Teach
- Shape

Products

Respect people (security and privacy)

Empowering communities

Teach and learn

Shape

Imagine, Build, Teach
